| 1 |  <p>"Sound Waves Spelling Student Book 3"</p>               |

Please label **all** items.

### PENCILS

Pencils are small items but have a huge impact on daily classroom routines. Cheap, sparkly, gimmicky etc pencils cause significant disruptions to a student's learning. They continually break and don't sharpen properly. Please buy good quality, plain pencils. Also, it minimises a number of problems if pencils are labelled in some way.
